

K.G Marg, New Delhi  
Dated: 11.11.2020

To,  
The Chief Minister Secretariate,  
Govt of NCT of Delhi.

Sub: Appointment request to apprise about National Highway for EV program before scheduled Tech Trial Flag-Off on 25<sup>th</sup> Nov (Delhi to Agra) for sync against raising pollution of Delhi NCR.

Respected *Sri Kejriwal Ji*,

I am directed to invite and engage NCT govt officials and leadership involved in our common fight against raising pollution level on behalf of our Tech piloting company for Ease of Doing Business of emerging technologies ASSAR (*Advance Services for Social and Administrative Reforms*) for the scheduled Tech-Trial Run to be Flagged-Off to Yamuna Expressway for Agra under National Highway for Electric Vehicle (NHEV) project to make it India's first E-Highway between Delhi and Agra and towards Jaipur later in Feb2021.

Please find attached program details for your reference and kindly advise a suitable but an early appointment to National Highway for EV, Working Group - Member Ms. Leher Sethi to arrange a presentation meet and discuss synergy in changing all 4 highways entering Delhi into e-highways out of which 2 are already being done on Annuity Hybrid E-Mobility (AHM) Model by us.

An early response anticipated in view of only 2 weeks left for the TECH-Trial run program.
